MISS MARY F. CLEARY

DEDICATION

Dedications, over the years, have exhausted or overworked the adjectives which are most appropriate here; but we can not pass without acknowledging your enthusiasm, patience, and understanding, Miss Cleary. Whether we shared your teaching directly or discovered it reflected in your students, we have benefited from your wisdom.

To you, Miss Cleary, our deepest respect and gratitude for capably directing our efforts and inspiring us to develop into more responsible and mature individuals.

FACULTY

ADMINISTRATION

It is the duty of the administrative division of a high school to direct the educational program of its students and to instill in them a knowledge that exceeds the bounds of classroom texts. Newburgh Free Academy is fortunate to have a qualified staff of educators who strive to institute advanced and broadened programs that will prepare the student more thoroughly for further education or contact with the business world.

ROBERT D. FOWLER
Principal

HAROLD MONSON

WILLIAM McDONOUGH

GUIDANCE

The comprehensive guidance program effectively prepares each student to meet his future with a definite path to follow and with a clear goal to attain. With the capable assistance of counselors, students have selected courses to suit their needs and have begun preparation for careers that fit their talents and training.

SENIOR CLASS NIGHT

"We've got everything in I-da-ho!" Enthusiastically performing on April 13, the members of the Class of '62 presented the lighthearted comedy, "Check Your Worries," (book and lyrics by Mel Weiser, Al Davis and Al Polhamus). The musical revolved around two reporters whose assignments led them to Hartsville, Idaho, where they became entangled in the annual Founder's Day Celebration.

JUNIOR PROM

The annual Junior Prom was held in the NFA cafeteria on January 26 from 9 to 12. Everyone who attended — both chaperones and students alike — agreed that the Prom was a huge success. The Class of '63 chose "Winter Wonderland" as their theme, and with the aid of Mr. Field transformed the cafeteria into a real winter wonderland.

With Frank McKeel's music in the background, the highlight of the evening was the selection of Chuck Thompson and Arlene Franchini as King and Queen of the Junior Prom.

Attending as chaperones were Mr. and Mrs. Reuter, Mr. and Mrs. Hemingway, Mr. and Mrs. Potente, Mr. and Mrs. Zaccaria, and Mr. Field.

NATIONAL HONOR SOCIETY

Scholarship, character, leadership, and service — these are the four prerequisites for membership in the Sarah W. Snowden chapter of the National Honor Society. Seniors are admitted to full membership if they achieved an 89.5 average, based on their grades for the preceeding two years, or have attained four points in the newly-established point system. Juniors receive provisional membership if they have achieved a 93.0 average in their sophomore year. The annual induction ceremony is held early in November; at this time, pins, donated by the Rotary Club, and provisional certificates are presented.

The Honor Society has recently instituted a tutoring period for students who are weak in academic subjects. In addition to this, the members aid the faculty in the decision of a class motto. A "first" this year is the participation in a mock college bowl with Middletown High School.

NFA Choruses

Music becomes a vital part of the activities of many students when they enter Newburgh Free Academy. The many choral groups of NFA perform at the annual Spring Concert. Directed by Mr. Aquino and Mr. Nebling, these choristers also represent NFA at the various service club meetings, at the Amphion Glee Club concert, and at various area PTA meetings. The groups include: Madrigals (the combined efforts of the girls' Ensemble and the boys' Octette), Brahms Chaminade, A Cappella, Bach, and the Robert D. Williams Memorial Glee Club. A new club this year, the Voice Training program strives to improve the singing of the members and in turn the various choruses. The core of the Music Association is the Music Council, composed of Association officers, the delegates from the various music organizations, and Mr. Nebling, Mr. Aquino, and Mr. Townsend.

a FESTIVAL of the ARTS

ORCHESTRA

Established in 1886, the Orchestra is the oldest music organization in NFA, one of the few high schools in the Hudson Valley to have an orchestra. As the guests of Valley Central High School, NFA attended the annual Orange County Music Educators Association program. Another important event of the year was a joint orchestral presentation in April by the Kingston and NFA orchestras. The focal point of the year, however, was the orchestra's participation in the annual Winter Concert, which featured selections from "Aida" and "First Suite in E Flat" by Gustav Holst.

BAND

The Newburgh Free Academy Band, composed of more than ninety students, performs at each of the home games during the football season. Traditionally, the band plays at two away games, traveling this year to Kingston and Yonkers.

Although the band plays frequently for assemblies, the highlight of the year is participation in the annual Winter Concert.

FOOTBALL

Although Newburgh did not produce a record-breaking football team this fall, several achievements should be cited. At Port Jervis the Goldbacks, cheered by nine hundred fans, plunged to victory; at Newburgh, they became the first team to cross a Middie goal line, crumbling the previous Middletown record; and at Kingston, during the traditional Thanksgiving game, Newburgh played valiantly, through suffering a 25-26 defeat.

Achieving All-Duso honors this year were Bob Ruckdeschel, captain, and John Graham, as well as Jim Hill and Charlie Johnson, both of whom will return to strengthen Coach Fornal's 1962 team.

BASKETBALL

By winning eighteen of twenty court engagements, copping the DUSO title, and then finally capturing the Section Nine crown, Coach Joseph Gaspard's cagers have carved for themselves a niche in the plaque of all-time great NFA teams. Led by All-Duso stars Richard Scott, Alan Angelone, John Sileno, and Jim MacMillan, plus "clutchman" Eric Conine, the Goldbacks won twelve consecutive games without faltering. The perfect season was ruined by Beacon in a 47-39 upset. Highpoints included the conflicts with Poughkeepsie, the cliff-hanging game with Kingston in which Rit Scott scored 34 points, chalking up the most points in a single game since Leroy Riley in the '57-'58 season, the copping of the DUSO title, and finally the triumph over Haverstraw for the Section Nine Championship, a game which the *Middletown Times-Herald* called "the greatest comeback in the history of Orange County."

SWIMMING

Having lost two record-breaking greats of the 1960 - 1961 season, this year's swimming team found the going rough, the mermen compiling their first sub-.500 record in years. The team won five dual meets, losing six; nevertheless, the swimmers can boast of achievements.

Led by Billy Bannan, Tim Fogarty, and Russ West, the Minerly squad finished third in the DUSO League competition. At the Section Nine Meet, Russ West lowered the existing 50-yard freestyle mark, and Tim Fogarty set a new diving record, breaking the former record by over ten points.

Although losing three seniors, Coach Minerly is confident that the experience gained by this year's squad will exhibit itself next year.

CROSS COUNTRY

Of the seven meets this season, Newburgh's cross country team won three. This record was climaxed when Newburgh seized the Duso championship from Middletown, the favored team. Of the forty-two runners, Lewis Dudley finished first, followed by Dave Williams, eighth, Tom McGill, ninth, Bob Thomas, fifteenth, and Chris Hawkins, sixteenth. This was the fifth Duso championship won during Mr. Masterson's nine years as coach.

Newburgh also ran well in the Section Nine Meet; however, the team placed third, losing second place by one point.

New course records were set this year by Lewis Dudley at Middletown and by Dave Williams at Port Jervis. Since these fine runners will return next year, Newburgh's outlook is promising.

TRACK

The 1961 track team had a fine year with some of the finest track talent in the DUSO League. The team won twelve trophies at the Nyack relays, won the Orange County meet, and won the DUSO Championship for the third consecutive year. Four boys who qualified in the Section Nine meet competed against the best teams in the state of New York.

Only nine lettermen of this fine squad returned for the 1962 season, since most of the boys on this squad were seniors.

This season's team, guided by Mr. Robert Jackson, head coach, and Mr. Frank L. Scarzfava, assistant coach, will be built around a nucleus of James Hill, Bob Ruckdeschel, Charles Graham, John Butler, William Scott, Tommy McGill, Lewis Dudley, Charles Hager, and Robert Strickland.

For the third consecutive year, the Duso Championship was captured by the NFA baseball team. Well balanced in pitching, batting, and fielding, the 1961 team extended its winning streak to eight games without a loss in league play.

GOLF

Finishing first in the Duso League, first in the Section Nine Championship, and second in the New York State Intersectional Championship, the NFA golf team established the most outstanding record in the history of the school. Last year's team scored victories over Kingston, Port Jervis, Beacon, Middletown, and Poughkeepsie, losing only to Kingston.

Prospects for 1962 not only predict NFA's seizing the Duso and Section Nine championships, but also winning the Intersectional Tournament at Ithaca, a contest which was lost by only one stroke last year.

MISS ROMAINE E. PORR

MISS RUTH E. ROBINSON

IN APPRECIATION

Although graduating seniors contribute individual and group accomplishments to a school, their achievements will soon blend in with those of their predecessors; however, when a faculty member retires, she leaves behind traits — either in a personal or educational vein — that will be long remembered by the students and the faculty. To you, Miss Porr and Miss Robinson, we extend both our sincere thanks for your understanding, guidance, and teaching during our years at NFA and a wish that your retirement will be satisfying and rewarding.
